

Get money from Dad
faster than the spin cycle.

No cash? No problem.

Introducing ZashPaySM – a new part of Online Bill Pay.

Meet our latest addition: ZashPay, the fast way to send or receive money at any time. So quick and easy, you can pay for those college books before the term begins.

And because ZashPay is part of Online Bill Pay, sending money has never been more secure or convenient — just login using your existing online password. The money goes directly from your bank account into their account usually within one business day, regardless of where they bank.

- No checks, stamps or cash to pay someone back.
- No need to wait for checks to cash.
- No trips to the bank to deposit money.
- No high fees — it's only 50 cents to send and no cost to receive money.
